### TASTING NOTES:

This is our first vintage of Barrel aged Sauvignon Blanc and certainly will not be our last! With beautiful notes of guava, asian pear, apricot and almond blossom on the nose, it draws you in for a sip. This wine is bursting with tropical fruit as soon as it hits your palate, with a smooth creamy finish.

### PAIRING SUGGESTIONS:

A wine so aromatic and lively pairs beautifully with seafood. We recommend spicy Calabrian clams for a perfect marriage of brine and brightness. You can find the recipe at; <https://www.spiritedbite.com/recipes-pairings/calabrian-clams>
